Quotebook: Ryan Craig

"I liked our 5-on-5 game tonight. I thought that was really good. What I didn't like was our special teams, our attention to detail on those special teams, and the penalties that led to those special teams, including the 4-on-4. At 5-on-5 I thought we were arguably the

better team, we just needed to do a better job on the special teams... We had the early chances in the third period and then some mistakes cost us."

- Head Coach Ryan Craig on Saturday performance
