Looking For Magic

The Silver Knights reduced their "magic number" to four points to clinch a playoff berth and can do so with a regulation win over the Roadrunners on Saturday night. It would be Henderson's first playoff berth since 2022. A win of Saturday would also be Henderson's 35th of

the season, matching the 2021-22 Silver Knights for the most victories in a season in franchise history. The HSK are two points behind the fourth-place Coachella Valley Firebirds and three points behind the third-place San Jose Barracuda.
